

1. AGREEMENT.

- 1.1. Parties. The terms and conditions set forth below, together with those appearing in the applicable purchase order and any attachments hereto, including a Statement of Work (collectively, "Order"), constitute an agreement between AGILENT TECHNOLOGIES, INC., or any other AGILENT entity identified on the face of the applicable purchase order, ("AGILENT"), and the seller ("Seller").
- 1.2. Precedence. In the event of a conflict between this Order and any other written agreement between the parties and specifically covering the same goods or services, the terms and conditions of such agreement shall prevail. A conflict between the terms set forth herein and those set forth in an SOW will be resolved in favor of the SOW. Notwithstanding the above, this Order shall prevail over any differing or additional terms and conditions proposed by Seller, including, without limitation, those contained in any invoice.
- 1.3. No Modification. No modification of this Order shall be binding unless in writing and signed by an authorized representative of each party.
- 1.4. Data Protection. Seller hereby consents to the storing and use of data required for the handling of this order.

2. PRICES AND PAYMENT.

- 2.1. Price. Seller shall sell to AGILENT the goods ("Goods") or services ("Services") shown in the applicable purchase order at the prices specified. Any forecasts provided by AGILENT were provided as an accommodation to Seller, and shall not constitute a commitment of any type by AGILENT. Except as otherwise provided in this Order, prices are exclusive of applicable freight charges and duties.
- 2.2. Taxes. All agreed upon prices are net of goods and services, sales, value added or similar taxes ("transaction taxes"). Any transaction tax due is to be specified as a separate item on a tax invoice issued per the tax regulations concerned. AGILENT shall include the applicable transaction tax with the payment, provided Seller has submitted appropriate information or documentation to allow AGILENT to recover such taxes as appropriate from the tax authority concerned. When appropriate, Agilent should provide Seller with the appropriate information or documentation to support the exemption from such taxes. AGILENT shall have no other or further liability to Seller with respect to any tax, duty, levy or like imposition for which Seller may be liable as a result of the supply of the Goods or Services.
- 2.3. E-Commerce System. Seller shall submit to AGILENT correct, itemized invoices of all charges for the Good or Services. Seller shall establish an electronic Seller account through such third party internet-based platform as Agilent may require from time to time, through which Seller shall submit invoices to and receive purchase orders from Agilent (the "E-Commerce System"). The electronic Seller account will be established within 30 days of the date of this Order. If Agilent has established an E-Commerce System applicable to this Agreement, the use of the E-Commerce System is a material obligation of Seller, and Agilent will not pay any invoice unless Seller has submitted such invoice through the E-Commerce System.
- 2.4. Payment. Unless otherwise indicated on the face of the applicable purchase order, payment shall be due forty-five (45) days after the later of AGILENT's receipt of either an appropriate invoice from Seller or the

relevant Goods or Services. AGILENT may deduct from such payment any monies owed by Seller to AGILENT.

- 2.5. Not Acceptance. Payment by AGILENT shall neither constitute acceptance of the Goods or Services, nor impair AGILENT's right to inspect such Goods or Services or invoke any available remedies.

3. SHIPMENT AND DELIVERY.

- 3.1. Shipment Terms. Seller shall ship Goods in the method identified by AGILENT to permit Seller to meet the delivery date(s) identified by AGILENT on the face of the applicable purchase order ("Delivery Date"). If Seller ships by any other method, Seller shall pay any resulting increase in the cost of freight. Except as specified below, shipments of Goods shall be FCA (as that term is defined in the Incoterms 2010 handbook) Seller's place of shipment/export, and title and risk of loss or damage shall pass from Seller to AGILENT upon Seller's delivery of the Goods to the designated carrier at the place of shipment/export. If AGILENT agrees to pay for applicable freight charges and duties as part of the purchase price, shipment shall be DDP (as that term is defined in the Incoterms 2010 handbook), and title and risk of loss or damage shall pass from Seller to AGILENT upon Seller's delivery of the Goods to the "Ship To" address identified by AGILENT on the face of this purchase order.
- 3.2. Costs. Seller shall bear all expenses related to handling, packing, packaging, loading and delivery of Goods to the designated carrier, and loading of Goods onto carrier's conveyance.
- 3.3. Packaging. Seller shall package and handle the Goods so as to protect the Goods from loss or damage, in conformance with good commercial practice, the "Agilent Specifications for the Environment" (available from <http://www.agilent.com/environment/GSE.pdf>), and government regulations. Seller shall be responsible for any loss or damage due to Seller's failure to properly package or handle the Goods. In each shipment, Seller shall include a packing list that contains the following: (a) this Order number; (b) the AGILENT part number; (c) the quantity shipped; (d) the requested delivery date; and (e) the Agilent Vendor number. The information on the packing list must agree with the information on Seller's invoice. Failure to comply with these regulations may result in delayed acceptance and/or delayed payment. In such cases, Agilent is entitled to refuse acceptance of delivery.
- 3.4. Delivery. Ordered Goods must be delivered on the confirmed Delivery Date. If installation or assembly of Goods or if a provision of Services is necessary or agreed upon, the delivery is considered to be on time when officially accepted by Agilent.
- 3.5. Failure, Prospective Failure, and Partial Shipment. Failure to meet the Delivery Date specified on the face of the applicable purchase order shall constitute a breach of such Order and Agilent is entitled, without further proof, to claim default damages up to 3% of the total amount of the Order. This does not apply if the delay results from events for which Agilent is responsible. Seller shall give AGILENT notice of any prospective failure to ship Goods or provide Services in time to meet the Delivery Date. If only a portion of Goods is available for shipment to meet the Delivery Date, Seller shall ship the available Goods unless directed by AGILENT to reschedule shipment. If only a portion of the Services can be performed on the Delivery Date, Seller shall perform

such Services unless directed by AGILENT to reschedule performance. Partial deliveries shall be deemed late shipments and be considered complete only when all Goods and Services have been shipped. The enforcement of other delay damages or the right to withdraw from the Order shall not be affected.

- 3.6. Late Shipment. If, due to Seller's failure to ship Goods in a timely manner, the identified method of transportation would not permit Seller to meet the Delivery Date, Seller shall ship the Goods by any more expedient means acceptable to AGILENT, and shall pay for any resulting increase in the cost of freight.
- 3.7. Early Shipment. If AGILENT receives any shipment more than three working days prior to the Delivery Date, AGILENT may either return the Goods or delay processing the corresponding invoice until the Delivery Date.
- 3.8. Non-Complying Goods. Only Goods that have been determined and tested for quantity and conditions by Agilent's Incoming Inspection Department will be considered officially delivered and relevant for invoicing. Seller shall be responsible for all risk and expenses, including transportation charges, associated with (a) the return of all Non-Complying Goods (as defined in section 6.1 below), over shipments, and early shipments returned by AGILENT to Seller; and (b) the shipment to AGILENT by Seller of all repaired, replacement and reworked Goods.

4. CHANGES.

- 4.1. Change or Cancellation. AGILENT may, without any charge or liability, change or cancel any portion of this Order, provided AGILENT gives Seller notice (a) for customized Goods or Services (i.e., supplied exclusively in accordance with AGILENT's designs or specifications), at least thirty (30) calendar days prior to the Delivery Date; and (b) for all other Goods or Services at any time prior to shipment.
- 4.2. Actual Costs. If AGILENT changes or cancels any portion of this Order after the time periods set forth above, AGILENT shall be responsible for any resulting costs incurred by Seller that cannot be avoided by commercially reasonable mitigation efforts.
- 4.3. Design or Specification Changes. AGILENT may, without any charge or liability, change, effective upon notice to Seller, AGILENT's designs or specifications at any time prior to shipment of corresponding Goods or receipt of corresponding Services. If any such change directly affects the prices or delivery schedules of Goods or Services, an equitable adjustment may be made, provided that Seller makes a written claim for an adjustment within thirty (30) days of AGILENT's notice and prior to shipment of the Goods or provision of the Services, and provided that such equitable adjustment is documented in writing signed by authorized representatives of both parties. If, after reasonable and good-faith efforts, the parties are unable to agree upon the amount of the adjustment, AGILENT may terminate, without any charge or liability, this Order as to all Goods and Services affected.
- 4.4. No Process or Design Changes. Seller shall not, without the prior written consent of AGILENT, make any process or design changes affecting the Goods.
- 4.5. Part Change Notice. Seller will send details of any part changes to PCN@agilent.com and shall not implement any part changes without

written approval from AGILENT.

5. QUALITY AND WARRANTY.

- 5.1. Quality Control. Seller shall maintain an objective quality program for all Goods and Services in accordance with (a) the latest revision of AGILENT's Supplier Quality Systems Requirements DWG A-5951-1665-1; and (b) any general specification set forth in this Order or otherwise supplied by AGILENT. Seller shall furnish to AGILENT, upon request, a copy of Seller's quality program and supporting test documentation.
- 5.2. Conformance Defects and Liens. Seller warrants that all Goods and Services shall (a) conform strictly to the specifications, design criteria, descriptions, drawings, samples and other requirements described or referenced in this Order or provided by Seller; (b) be free from defects in design, materials and workmanship; and (c) be free of all liens, encumbrances and other claims against title.

Seller warrants that (a) Goods are new and do not contain any used or reconditioned parts or materials, unless otherwise specified or approved by AGILENT; (b) Goods are manufactured by or for the original manufacturer and do not contain any counterfeit materials; (c) Goods and results of the Services do not use or incorporate any freeware, shareware or open source software, unless otherwise specified or approved by AGILENT; and (d) all Services shall be performed in a professional manner.
- 5.5. Duration of Warranties. Seller's warranties of conformance and defects shall be in effect for the longer of either (i) Seller's normal warranty period, or (ii) three years following the date of acceptance of the Goods or Services by AGILENT. All other warranties provided by Seller under this Order shall be in effect perpetually.

6. NON-COMPLYING GOODS AND SERVICES.

- 6.1. AGILENT's Options. In addition to the remedies specified in Section 10 below, if any Goods or Service is defective or otherwise not in conformity with the requirements of this Order ("Non-Complying Goods" and "Non-Complying Services", respectively), AGILENT may either (a) return the Non-Complying Goods for repair, replacement or reworking at Seller's expense; (b) require Seller to re-perform the Services at Seller's expense or (c) apply other remedies provided by the law.
- 6.2. Time for Compliance. If AGILENT returns the Non-Complying Goods, Seller shall return the repaired, replacement or reworked Non-Complying Goods no later than five (5) working days after receipt of the Non-Complying Goods from AGILENT. If AGILENT requires Seller to re-perform the Non-Complying Services, Seller shall re-perform the Services within five working days after notice from AGILENT that Services are defective or not in conformity with the requirements of this Order. The cure period specified in Section 10.1 below shall apply only once to any breach of this section 6.
- 6.3. Failure to Provide Complying Goods. If Seller fails to return repaired, replacement or reworked Goods to AGILENT within five (5) working days of receipt of Non-Complying Goods, AGILENT may reject the Non-Complying Goods, and Seller shall reimburse AGILENT all associated

costs paid by AGILENT. If AGILENT rejects the Non-Complying Goods, AGILENT may terminate this Order and procure, upon such terms and in such manner as AGILENT deems appropriate, replacement goods. Seller shall reimburse AGILENT upon demand for all additional costs incurred by AGILENT in purchasing any such replacement goods.

If Seller fails to satisfactorily re-perform the Services within five working days after notice from AGILENT, AGILENT may terminate this Order and procure, upon such terms and in such manner as AGILENT deems appropriate, replacement services. Seller shall reimburse AGILENT upon demand for all associated costs paid by AGILENT for the Services, as is equitable under the circumstances, and for all additional costs incurred by AGILENT in purchasing any such replacement services.
- 6.5. End-of-Life Returns. Where lawfully required, Seller shall accept from AGILENT, without any charge or liability to AGILENT, any material included in the Goods or their packaging by return freight prepaid by AGILENT.

7. LICENSE

- 7.1. License Grant. If Goods include software, Seller grants to AGILENT a non-exclusive, royalty-free, worldwide license to use, import, reproduce, and distribute the software in object code form for internal use directly or as integrated into AGILENT products. Seller also grants to AGILENT a non-exclusive, royalty-free, worldwide license to use, import, distribute and offer for sale any copies of the software purchased that remain in the original shrink-wrapped packaging. AGILENT may reproduce such documentation without Seller's logo or other identification of source, subject to affixing copyright notices to all copies of documentation, and Seller hereby waives and shall cause to be waived all applicable moral rights with respect to such documentation. These rights with respect to software and documentation shall extend to (a) third parties to use and reproduce the Goods for AGILENT's internal use; and (b) third-party channels of distribution.
